IoT SMART BLIND

NEW

CIA-ZKB01

Connect a smartphone

IoT

IoT

- Integrated service with IoT Wallpad
- Smart Mirror via 485 to ZigBee module
- Wired connection with Wallpad is available via 485 port • Multiple Smart Blind control
- Powerful performance and noiseless design
- Electrical Encode Motor

Power source	AC100~250V (50~60MHz)
Output power	107W
Motor speed	24rpm (Torque 8/N.M)
Motor diameter	35mm
Receiver	Embedded Type
Position set	4 different positions
Protocol	RS-485, Dry Contact, FM Two-way RF
Max. weight	23.8kg / Single
Environment	Indoor Use
